The Verizon Wireless Crisis Response Team (VCRT) 800-981-9558

A nationwide program sponsored and managed by the National Government Sales & Operations team. When a natural disaster or crisis occurs, VCRT provides support to those in need and responds to government and non-profit organizations and emergency management agencies that need our assistance.

VCRT provides the following support in the event of a crisis:

- Back-up phone coverage
- Equipment/Network support
- Assistance with search and rescue initiatives
- A live support line to request help 24 hours/day, 7 days/week, 365 days/year
- Routing of requests to the Law Enforcement Response Team (LERT)
- One phone number to call in a crisis situation
